

Cancellation of the Graduation Ceremony

February 26, 2020

In response to the rapid spread of the coronavirus (COVID-19) disease in Japan, Okayama Shoka University has decided to cancel its 2019 Graduation and Diploma Presentation Ceremony and Graduation Party, which were scheduled to take place on March 22, 2020. We truly regret the inconvenience caused but, after careful consideration, we felt it important to minimize the risk to our students and their families.

Graduates will be provided with information on the arrangements for the collection of their degree diplomas and other related matters, which will be posted on this website.

We appreciate your kind understanding and cooperation.

Sincerely yours,

Akio Ijiri,
President
